Full Stack Web Developer

Experience

Full Stack Web Developer Intern   **Nov 2023 – Apr 2024**
NGEN, Peshawar

Learned real-world full stack development - Worked with senior developers on live projects - Improved problem-solving and coding skills

Full Stack Web Developer   **May 2024 – Dec-2025**
NGEN, Peshawar

Working on full stack web applications using modern technologies - Developing frontend interfaces and backend APIs - Managing databases and improving application performance

Freelance Full Stack Web Developer   **Dec 2025 – Present**

Develop and maintain full-stack web applications using modern front-end and back-end technologies. Collaborate with clients to design responsive, user-friendly interfaces and implement scalable, efficient server-side solutions. Ensure performance optimization, security, and clean code practices across projects.
